*Color graphics are permitted and are billed at the then-prevailing rate.*

5. English Editing: ***Please select one***

The monograph/all chapters will be written by a native English speaker: \_\_\_\_\_

The monograph/all chapters will be edited by a native English speaker prior to submission: \_\_\_\_\_

When will the complete manuscript be ready for submission? (Month/Year)

Projected Table of Contents:

Please state in detail the subject of the proposed publication and indicate its academic level:

Please include a 200-500 word descriptive paragraph which we could use for our website posting and brochures should a contract be signed:

Please list 5-6 subject related keywords that could be used to describe your work:

Please give details of the principal audiences for the publication. List relevant subject areas and job functions.

What competitive publications are available?

What particular advantages does your publication have compared to the competitive publications?

Where the publication might be promoted, when published? What networks do you have to support this?

Please list the libraries which will be potentially interested in including your book in their collections:

Name of School/Library	Contact Person	Email Address

Please list the specialists in your field who will give you endorsements to be submitted with the final manuscript.

Please provide names and affiliations of 3-5 experts in your area who are well-positioned to evaluate the project and offer feedback. Peer reviewers should be experienced scholars.

Please list distinguished specialists in your field potentially interested in writing a scientific book on the topic of their expertise who you can recommend to Nova. (Please disregard this request if you have already given your recommendations.)

Name:	Field of interest	Email Address

How quickly do you think your publication might become out of date?

Your recent publications (past 5 years):

Other possible types of publications:

Book Series \_\_\_\_\_

Online Book \_\_\_\_\_

Conference Proceedings \_\_\_\_\_

Reference work \_\_\_\_\_

(If you are interested in one of the above options, please mark the publication type and we will send you additional information).

*Thank you.*
